3. Keep one copy, for not less than five (5) years, as your supplementary record of injuries required by the Federal Occupational Safety and Health Act of 1970.

* The mandatory requirement that the social security number be included in forms filed with the Claims Division or Special Fund Division of the Industrial Commission of Arizona is permitted by Section 7(a)(2)(B) of the Federal Privacy Act of 1974, because the Commission's forms, prescribed under the Commission's Rules in existence prior to January 1, 1975, required disclosure of the social security number. The number is used as a means of identifying all the various records in the Claims Division or Special Fund pertaining to an individual. The use of social security numbers is made necessary because of the large number of persons who have similar names and birth dates, and whose identities can only be distinguished by the social security number.

EMPLOYEE SAFETY AND HEALTH PROTECTION

The Arizona Occupational Safety and Health Act of 1972 (Act), provides safety and health protection for employees in Arizona. The Act requires each employer to furnish his employees with a place of employment free from recognized hazards that might cause serious injury or death. The Act further requires that employers and employees comply with all workplace safety and health standards, rules and regulations promulgated by the Industrial Commission. The Arizona Division of Occupational Safety and Health (ADOSH), a division of the Industrial Commission of Arizona, administers and enforces the requirements of the Act.

You have the right to notify your employer or ADOSH about workplace hazards. You may ask ADOSH to keep your name confidential.

You have the right to request that ADOSH conduct an inspection if you believe there are unsafe and/or unhealthful conditions in your workplace. You or your representative may participate in the inspection.

If you believe you have been discriminated against for making safety and health complaints, or for exercising your rights under the Act, you have a right to file a complaint with ADOSH within 30 days of the discriminatory action. You are also afforded protection from discrimination under the Federal Occupational Safety and Health Act and may file a complaint with the U.S. Secretary of Labor within 30 days of the discriminatory action.

You have the right to protest the time frame given for correction of any violation.

You have the right to obtain copies of your medical records or records of your exposure to toxic and harmful substances or conditions.

Your employer must post this notice in your workplace.
